

Goddess of Love and Pain

Metalium

It is said about... Aphrodite

" As daughter of Zeus and Dione and sister of Athena, she became the goddess of love and hate. Related to the roman Venus and married to the smith-god Hephajstos. She couldn't resist to be loved by many other gods, as well by mortal men. She became the mother of the gods Eros, Ate, Eris, Urania, Hetaira and Dyoini. "

Sky was steering waves, the night cruel foam created me.
NOW YOUR TIME HAS COME.
They fought over my hand, soon armies fell down to their knees.
FIND THE CHOSEN ONE.
Legend of all time.
Aphrodite shines.
Goddess of love and pain.
Driving the gods insane.
Goddess of love and pain.
All of their hope's in vain.
Trojan warriors mean, the bloodiest I've ever seen.
MISERY AND DEATH.
Enticed by the lights of hate, unable to stay clean.
THEY CAN'T TAKE MY BREATH.
Legend of all time.
Aphrodite shines.
Goddess of love and pain.
Driving the gods insane.
Goddess of love and pain.
All of their hope's in vain.
