

# Heavy Metal

Metalium

Heavy Metal lives in me  
If you don't like it,  
FUCK YOU!

Law of the gutter  
Law of the street  
Law of the broken ones  
And the strong who planted seeds

We will succeed!

So let's join forces  
So let's join heat  
So let's create a union  
The time has come to bleed

So take my hand  
Power is us to be  
Let's make a stand  
For all to see

Heavy Metal lives in me  
Can't you hear me calling

They tried to reach for me  
They tried to wash my brain  
But they can never break my spirit  
Before...  
I'd go insane  
So take my hand  
Power is us to be  
Let's make a stand  
For all to see  
Yeahhh...

Heavy Metal lives in me  
Can't you hear me calling  
Heavy Metal lives in me  
You wont see us falling  
For all to see yeahhh

If you don't like it  
FUCK YOU!
