

Meet Your Maker

Metalium

You've reached the end of the line
Follow the heavenly sign
There's nothing you can do than send a prayer
Now your life fades away
Not much time's left to stay
A one way ticket carved in stone,
you're on your final way home

And as the white world appears
To take away all your fears
You've gotta deal with the moment of truth

Exciting
you soon will meet your maker
A lightning
The reaper will take you

You feel you're losing the chains
Get rid of all the pain
Forever free, stronger than ever
They've come to set you free
From nowhere they appear
Just a moment in time your soul is released
Immortal memories

And as the white world appears
To take away all your fears
You've gotta deal with the moment of truth

Exciting
you soon will meet your maker
A lightning
The reaper will take you
