

## Meet Your Maker

Metalium

You've reached the end of the line  
Follow the heavenly sign  
There's nothing you can do than send a prayer  
Now your life fades away  
Not much time's left to stay  
A one way ticket carved in stone,  
you're on your final way home

And as the white world appears  
To take away all your fears  
You've gotta deal with the moment of truth

Exciting  
you soon will meet your maker  
A lightning  
The reaper will take you

You feel you're losing the chains  
Get rid of all the pain  
Forever free, stronger than ever  
They've come to set you free  
From nowhere they appear  
Just a moment in time your soul is released  
Immortal memories

And as the white world appears  
To take away all your fears  
You've gotta deal with the moment of truth

Exciting  
you soon will meet your maker  
A lightning  
The reaper will take you
