Metalium

There is no masterplan
All our dreams are messed
We called these ghosts...
we can't get escape
We thought we would heroes
Now lets look in the mirror
We screwed this world in only hundred years of time

Let's start to face it
The world can't take it
We'll pay the fee
Can't you see
The world is changing
Catch disease
In the middle of the night

Greed and dishonesty
Betrayal all around
It seems much more important, to benefit ourselves
Is this a train we can't stop
Which leads to the end of us all
Now it's the time to re-direct our course

So let's start to face it
The world can't take it
We'll pay the fee
Can't you see
The world is changing
Catch disease
In the middle of the night
In the middle of the night

Can't you see
The world is changing
Catch disease
In the middle of the night

Can't you see
The world is changing
Catch disease
In the middle of the night
Night...ohhh...night

WE WILL PAY THE FEE...
WE WILL PAY THE FEE...
WE WILL PAY THE FEE...
WE WILL PAY THE FEE...
