

## ...And Justice For All

Metallica

1. Halls of justice painted green  
Money talking  
Power wolves beset your door  
Hear them stalking  
Soon you'll please their appetite  
They devour  
Hammer of justice crushes you  
Overpower

R: The ultimate in vanity  
Exploiting their supremacy  
I can't believe the things you say  
I can't believe  
I can't believe the price you pay  
Nothing can save you

Justice is lost  
Justice is raped  
Justice is gone  
Pulling your strings  
Justice is done  
Seeking no truth  
Winning is all  
Find it so grim  
So true  
So real

2. Apathy their stepping stone  
So unfeeling  
Hidden deep animosity  
So deceiving  
Through your eyes their light burns  
Hoping to find  
Inquisition sinking you  
With prying minds

R: The ultimate in vanity...

3. Lady justice has been raped  
Truth assassin  
Rolls of red tape seal your lips  
Now you're done in  
Their money tips her scales again  
Make your deal  
Just what is truth? I cannot tell  
Cannot feel

R: The ultimate in vanity...  
+ Seeking no truth  
Winning is all  
Find it so grim  
So true  
So real
