

Bad Seed

Metallica

Yeah, yeah, yeah, yeah
Oh bad, yeah, yeah, yeah

Come clean, fix up
Tell all, spill guts
Off the veil, stand revealed
Show the card, bring it on, break the seal

Ladies and gentlemen
Step right up and see the man who taught the truth

Swing the noose again
Pierce the apple skin
You bit more than you need
Now you're choking on the bad seed
On the bad seed
Ah, choking

Yeah, let it on
Load up, confess, care so
At the mercy
Cat is out
Drop through the sky
Spit it up
Spit it out

And now what you've all been waiting for
I give you he who suffers the truth

Swing the noose again
Pierce the apple skin
Yeah, you bit more than you need
Now you're choking on the bad seed
Choking on the bad seed
Yeah

Off the veil, stand revealed
Bring it on, break the seal
At the mercy, cat is out
Spit it up
Spit it out
Spit it up
Spit it out
Spit it out now

At the mercy

Swing the noose again
Pierce the apple skin
You bit more than you need
Choking on the seed

Swing the noose again
Pierce the apple skin
Yeah, you bit more than you need
Now you're choking on the
Choking, choking, choking on the bad seed, yeah

Off the veil, stand revealed
Bring it on, break the seal
At the mercy, cat is out
Spit it up
Spit it out (3x)
Spit it out now, yeah

Choking on the bad, bad, bad, bad, bad, bad seed
