

Disposable Heroes

Metallica

1. Bodies fill the fields I see, hungry heroes end
No one to play soldier now, no one to pretend
Running blind through killing fields, bred to kill them all
Victim of what said should be
A servant `til I fall

R: Soldier boy, made of clay
Now an empty shell
Twenty one, only son
but he served us well
Bred to kill, not to care
Do just as we say
Finished here, Greeting Death
He's yours to take away

Back to the front
You will do what I say, when I say
Back to the front
You will die when I say, you must die
Back to the front
You coward
You servant
You blindman

2. Barking of machinegun fire, does nothing to me now
Sounding of the clock that ticks, get used to it somehow
More a man, more stripes you wear, glory seeker trends
Bodies fill the fields I see
The slaughter never ends

R: Soldier boy, made of clay...

/: Why, Am I dying?
Kill, have no fear
Lie, live off lying
Hell, Hell is here :/

I was born for dying

3. Life planned out before my birth, nothing could I say
had no chance to see myself, molded day by day
Looking back I realize, nothing have I done
left to die with only friend
Alone I clench my gun

R: Soldier boy, made of clay...
