

# Hero of the Day

Metallica

Mama they try and break me  
The window burns to light the way back home  
Alight that warms no matter where they go  
They're off to find the hero of the day  
But what if they should fall by someone's wicked way

Still the window burns  
Time so slowly turns  
And someone there is sighing  
Keepers of the flames  
Can't you feel your name?  
Can you hear your babies crying?  
Mama they try and break me  
Still they try and break me

Excuse me while I tend to how to feel  
These things return to me that still seem real  
Now deservingly this easy chair  
But the rocking starts the wheels of despair

Don't want your hate  
But the fist I've made  
For years  
can't hold or feel  
No i'm not all me  
So please excuse me while I tend to how I feel

But now the dreams  
And waking screams  
That everlast the night  
So build a wall  
Behind it crawl  
And hide until it's light  
So can you hear your babies crying now?

Still the window burns  
Time so slowly turns  
And someone there is sighing  
Keepers of the flames  
Can't you feel your name?  
Can you hear your babies crying?

But now the dreams  
And waking screams  
That everlast the night  
So build a wall  
Behind it crawl  
And hide until it's light  
So can't you hear your babies crying now?

Mama they try and break me  
Mama they try and break me  
Mama they try and break me  
Mama they try  
Mama they try  
Mama they try and break me

Mama they try and break me  
Mama they try and break me  
Mama they try  
Mama they try
