

1. Don't you leave me Father Time  
Take me with you  
Tell me does your sun still shine  
Come squeeze the world  
and drip it down my throat again  
Down my throat again... woooah!

R: You got to breathe man, breathe!  
Coming up for,  
Breathe man, breathe!  
Coming up for  
Air

2. Touch me so I think I'm here  
Skin my senses  
Barely breathing  
Minus Human  
Please squeeze the world  
and drip it down my throat again  
ooah Down my throat again... woooah!

R: You got to breathe man...

R: You got to breathe man, breathe!  
Coming up for,  
Breathe man, breathe!  
Coming up for!
