Spineless from the start, sucked into the part Cicus comes to twon, you play the lead clown Please, please
Spreading his disease, living by his story
Knees, knees
Falling to your knees, suffer for hid glory
You will

Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green
Heaven you will meet
Make a contribution
And you'll get a better seat
Bow leper messiah

Marvel at his trick, need your Sunday fix
Blind devotion came, rotting your brain
Chain, chain
Join the endless chain, taken by his glamour
Fame, fameInfection is the game, stinking drunk with power

We see

Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green
Heaven you will meet
Make a contribution
And you'll get a better seat
Bow leper messiah

Witchery, weakening
Sees the sleep are gathering
Set the trap, hypnotizeNow you follow

Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green
Heaven you will meet
Make a contribution
And you'll get a better seat
Bow leper messiah
