

No Remorse

Metallica

No mercy for what we're doing
No thought to even what we've done
We don't need to feel the sorrow
No remorse for the helpless one

War without end

No remorse no repent
We don't care what it meant
Another day another death
Another sorrow another breath
No remorse no repent
We don't care what it meant
Another day another death
Another sorrow another breath

Blood feeds the war machine
As it eats its way across the land
We don't need to feel the sorrow
No remorse is the one command

War without end

No remorse no repent
We don't care what it meant
Another day another death
Another sorrow another breath
No remorse no repent
We don't care what it meant
Another day another death
Another sorrow another breath

Only the strong survive
No will to save the weaker race
We are ready to kill all comers
Like a loaded gun right at your face

War without end

No remorse no repent
We don't care what it meant
Another day another death
Another sorrow another breath
No remorse no repent
We don't care what it meant
Another day another death
Another sorrow another breath

Attack

Bullets are flying
People are dying
With madness surrounding all hell's breakin' loose
Souldiers are hounding
Bodies are mounting
Cannings are shouting to take their abuse
With war machines going

Blood starts to flowing
No mercy given to anyone here
The furious fighting
Swords are like lightning
It all becomes frightening you
Know, death is near
No remorse
