

# One

**Metallica**

I can't remember anything,  
Can't tell if this is true or dream,  
Deep down inside I feel to scream,  
This terrible silence stops me.

Now that the war is through with me,  
I'm waking up I can not see  
That there's not much left to me.  
Nothing is real but pain now!

Hold my breath  
as I wish for death,  
Oh please god, wake me!

Back in the womb its much too real,  
In pumps life that I must feel,  
But can't look forward to reveal,  
Look to the time when I'll live.

Fed through the tube that sticks in me,  
Just like a wartime novel - ty,  
Tied to machines that make me be,  
Cut this life off from

Hold my breath  
as I wish for death,  
Oh please god, wake me!

Now the world is gone,  
I'm just one.  
Oh god, help me.  
Hold my breath  
as I wish for death,  
Oh please god, wake me!

Darkness imprisoning me  
All that I see, absolute horror!  
I cannot live! I cannot die!  
Trapped in myself, body my holding cell!

Landmine has taken my sight,  
Taken my speech,  
Taken my hearing,  
Taken my arms,  
Taken my legs,  
Taken my soul,  
Left me with life in hell!
