

# The Day That Never Comes

Metallica

Born to push you around  
better just stay down  
You put away  
He hits the flesh  
You hit the ground

Maps so full of lies  
Tend to black your eyes  
Just keep them close  
Keep praying  
Just keep waiting

Waiting for the one  
The day that never comes  
When you stand up and feel the warmth  
but the sunshine never comes no  
No the sunshine never comes

Push you cross that line  
Just stay down this time  
Hiding yourself  
Crawling yourself  
You'll have your time

God I'll make them pay  
Take it back one day  
I'll end this day  
I'll splatter color on this gray

Waiting for the one  
The day that never comes  
When you stand up and feel the warmth  
but the sunshine never comes

Love is a four letter word  
And never spoken here  
Love is a four letter word  
Here in the prison

I suffer this no longer  
I put it into  
This I swear!  
This I swear!  
The sun will shine  
This I swear!  
This I swear!  
This I swear!
