The Struggle Within

Metallica

Reaching out for something you've got to feel While clutching to what you had thought was real

Kicking at a dead horse pleases you No way of showing your gratitude S-s-so many things you don't want to do What is it? What have you got to lose

What the hell? What the hell? What is that you think you're gonna find? Hypocrite, hypocrite Boredom sets into the boring mind

Struggle within, it suits you fine Struggle within, your ruined Struggle within, you seal your own coffin Struggle within, the struggling within

Home is not a home it becomes a hell Turning it into your prison cell Advantages are taken, not handed out While you struggle inside your hell

Reaching out, reaching out Grabbing for something you've got to feel Closing in, closing in The pressure upon you is so unreal

Struggle within, it suits you fine Struggle within, your ruined Struggle within, you seal your own coffin Struggle within, struggling within

Struggle Don't

Reaching out for something you've got to feel While clutching to what you had thought was real

What the hell? What is you think you're gonna find? Hypocrite, boredom sets into the boring mind

Struggle within, it suits you fine Struggle within, your ruined Struggle within, you seal your own coffin Struggle within, the struggling within
