

Where The Wild Things Are

Metallica

So wake up sleepy one
It's time to save your world

Steal dreams and give to you
Shop lift a thought or two
All children touch the sun
Burn fingers one by one, by one

Will this earth be good to you?
Keep you clean or stain through?

So wake up sleepy one
It's time to save your world
You're where the wild things are, yeah
Toy soldiers off to war

Big eyes to open too
Believing now under sun and moon
But does heaven know you're here?
And did they give you smiles or tears?
No, no tears

Will this earth be good to you?
Keep you clean or stain through?

So wake up sleepy one
It's time to save your world
You're where the wild things are, yeah
Toy soldiers off to war

You swing your ass all down
Call to arms, a trumpet's sound
Toy horses start the charge
Robots, chessmen standing guard
We shall never surrender

All you children touch the sun
Burn your fingers one by one

Will this earth be good to you?
Keep you clean or stain through?

So wake up sleepy one
It's time to save your world
You're where the wild things are, yeah
Toy soldiers off to war
Off to war, off to war

So close your little eyes
