Where The Wild Things Are

Metallica

So wake up sleepy one It's time to save your world

Steal dreams and give to you Shop lift a thought or two All children touch the sun Burn fingers one by one, by one

Will this earth be good to you? Keep you clean or stain through?

So wake up sleepy one
It's time to save your world
You're where the wild things are, yeah
Toy soldiers off to war

Big eyes to open too
Believing now under sun and moon
But does heaven know you're here?
And did they give you smiles or tears?
No, no tears

Will this earth be good to you? Keep you clean or stain through?

So wake up sleepy one
It's time to save your world
You're where the wild things are, yeah
Toy soldiers off to war

You swing your ass all down Call to arms, a trumpet's sound Toy horses start the charge Robots, chessmen standing guard We shall never surrender

All you children touch the sun Burn your fingers one by one

Will this earth be good to you? Keep you clean or stain through?

So wake up sleepy one
It's time to save your world
You're where the wild things are, yeah
Toy soldiers off to war
Off to war, off to war

So close your little eyes
