

Drunk Uncle Pete

Methods Of Mayhem

Take your Christmas lights down you lazy bum
I look across the street and i see your wreath
it reminds me of my old drunk uncle Pete
Take the lampshade off you're not funny
barf up some turkey from your drunk yummy tummy
try to play poker but you can't read the cards
lying cheating stealing brains working too hard
Drunk uncle Pete can't stand on two feet
he's whiskey he's a shot glass
he's a forty ounce he's family that's right
Drunk Uncle Pete can't find the door
he is mumbling and a stumbling
drunk Uncle Pete
Christmas in the park getting drunk after dark
fourth of July is a pause for the cause
Halloween spooky day Jack Daniel's ok

Drunk uncle Pete can't stand on two feet
