

Louder

Methods Of Mayhem

If I could scream any louder
Be any Prouder
Scream any louder than I would

Scream any louder
Be any Prouder
Scream any louder than I would

Burning up, kick myself around
Jerking off, tongue-kissin' the ground
churning out, deprivation love
burning out, everything above

Ahhhhhhh
Ahhhhhhh

If I could scream any louder, I would
Be any Prouder than I would
Aim any higher
See any wider
Scream any louder than I would

Bury the torture in your eyes
barely the stronger sympathize
Holding a, precious gem too dear
Beauty you, Universe is here

If I could scream any louder, I would
Be any Prouder than I would
Aim any higher
See any wider
Scream any louder than I would

Solo

If I could scream any louder, I would
Be any Prouder than I would
Aim any higher
See any wider
Scream any louder than I would

Scream.....ohhhhhh
I could see any wider
Be any Prouder
Scream any louder than I would...
