Methods Of Mayhem

All you say is you want ...only one
All you do is take
To me, it's your fun.. look what you've done...you lied
You lied

Now you say you hate, everyone Are you able to face?....me. I'll take you to a place....come along Tonight tonight

Now I feel like im on to somethin' big and beyond like nothin' I've ever seen

I think I know what you mean now

Now I feel like im on to somethin' big and beyond like nothin' I've ever seen
