

# Blindness

## Metric

Send us a blindfold, send us a blade  
Tell the survivors help is on the way

I was a blindfold, never complained  
All the survivors singing in the rain  
I was the one with the world at my feet

Got us a battle, leave it up to me

Find us a trap door, find us a plane  
Tell the survivors help is on the way

I was a blindfold never complained  
All the survivors singing in the rain  
I was the one with the world at my feet  
Got us a battle, leave it up to me

What it is and where it stops nobody knows  
You gave me a life I never chose

I wanna leave but the world won't let me go  
I wanna leave but the world won't let me go

What it is and where it stops nobody knows  
You gave me a battle I never chose

I was the one with the world at my feet  
Got us a battle, leave it up to me
