

## Cascades

Metric

Just keep going strong  
With whatever it is, yeah  
That's compelling you on, yeah  
Don't be afraid when I'm gone  
Keep whatever it is, yeah  
That's compelling you on, yeah

Cascading rays of emotion  
Cascading over us still  
From leaving feelings unspoken  
The way we always will

Just keep going strong  
With whatever it is, yeah  
That's compelling you on, yeah  
Don't be afraid when I'm gone  
Keep whatever it is, yeah  
That's compelling you on, yeah

Cascading rays of emotion  
Cascading over us still  
From leaving feelings unspoken  
The way we always will

Cascading rays of emotion  
Cascading over us still  
From leaving feelings unspoken  
The way we always will
