

# Combat Baby

Metric

We used to leave the blue lights on and there was a beat  
Ever since you have been gone it's all caffeine-free  
Faux punk fatigue  
Said it all before  
They try to kick it, their feet fall asleep  
Get no harm done no  
None of them want to fight me

Combat baby come back baby  
Fight off the lethargy  
Don't go quietly  
Combat baby  
Said you would never give up easy  
Combat baby come back

Get back in town I wanna paint it black  
Wanna get around  
Easy living crowd so flat  
Said it all before  
They try to kick it, their feet fall asleep  
I want to be wrong but  
No one here wants to fight me like you do

Combat baby come back baby  
Fight off the lethargy  
Don't go quietly  
Combat baby  
Said you would never give up easy  
Combat baby come back

I try to be so nice  
Compromise  
Who gets it good?  
Every mighty mild seventies child  
Every mighty mild seventies child  
Beats me

Do doo doo doo

Combat baby come back baby  
Combat baby come back  
Bye bye bye bye bye bye bye baby  
Combat baby come back

How I miss your ranting  
Do you miss my all time lows
