

Soft Rock Star

Metric

Climb the wall to make the sun rise in time
But the night had already begun
Climb the wall to make the sun rise in time
But the night had already begun

Now here I am, I am the one
So hang high soft star
Don't shine for swine

Not a lot of room to move, but where's my guide?
I tried looking up to you girls
Please correct me, but didn't you let the work slide
Capitalize on a novelty, cheap pink, spotlight.
Is it all right?

Choose the highest bidder was my answer
What they told me I was up for sale
Schoolyard, Junior high style
Bullies have always tried to buy the better girls
But failed now, the cheque is in the mail.

Bubble gumball martini
Is nothing like dépanneur red wine
Travel through time
Who were you after you were mine?

Choose the highest bidder was my answer
When they told me I was up for sale
Schoolyard, junior high style
Bullies have always tried to buy the better girls
haven't they?
Choose the brightest future
pay the death and try to buy the better girls
but failed till now, the cheque is in the mail.

So hang high
Soft rock star
Hang high
Soft rock star
Don't shine before swine

Choose the highest bidder was my answer
When they told me I was up for sale
Schoolyard, junior high style
Bullies have always tried to buy the better girls, haven't they?
