

# The Wanderlust

Metric

I've been sleepwalking  
Through the railway station  
Wake me up  
When they call my destination

Where I've been  
I was bound to leave behind  
All device and all disease was mine

I'm speeding out of reach  
Oh, you're the one I had to meet

I never wanted to go home  
Wanderlust will carry us on  
There was nothing there for me  
Wanderlust will carry us on  
In a high rise on my own  
I've been on the highways for so long  
Looking out in a mirrored balcony  
Wanderlust will carry us on

Will there ever be a place for you and me?  
Wanderlust

I'm rolling in for a seven day weekend  
Living up again to my old reputation  
Can you cover me  
'Cause I got no armor  
Keep on moving down the line  
Keep on going further

I'm speeding out of reach  
Oh, you're the one I had to meet

I never wanted to go home  
Wanderlust will carry us on  
There was nothing there for me  
Wanderlust will carry us on  
In a high rise on my own  
I've been on the highway for so long  
Looking out at a mirrored balcony  
Wanderlust will carry carry carry us on  
I don't know where to go now, I got nowhere to hide  
Nowhere to go, nowhere to be  
I don't know where to go now, I got nowhere to be  
Oh, wanderlust will carry us on

Walk fifty city blocks down but they always find us  
Wanderlust will carry us on  
Will there ever be a place for you and me  
Wanderlust will carry us on  
Will there ever be a place for you and me
