

## Seventeen Forever

Metro Station

You are young, and so am I  
This is wrong, but who am I to judge?  
It feels like heaven when we touch  
I guess, for me this is enough

We're one mistake from being together  
Let's not ask why it's not right  
You won't be seventeen forever  
And we can get away with this tonight

You are young, and I am scared  
You're wise beyond your years, but I don't care  
And I can feel your heartbeat  
You know exactly where to take me

We're one mistake from being together  
Let's not ask why it's not right  
You won't be seventeen forever  
And we can get away with this tonight

Will you remember me?  
You ask me as I leave  
Remember what I said?  
Oh how could I, oh how could I forget

We're one mistake from being together  
Let's not ask why it's not right  
You won't be seventeen forever  
And we can get away with this tonight

We're one mistake from being together  
Let's not ask why it's not right  
You won't be seventeen forever  
And we can get away with this tonight

We're one mistake from being together  
Let's not ask why it's not right  
You won't be seventeen forever  
And we can get away with this tonight
