

Wish We Were Older

Metro Station

I wish we were older
I wish we were older
I wish we were older

Keep your body moving girl
The Beat is thumpin'
Go ahead and let them talk
Their words mean nothing

I know you're scared but don't leave this place
Just turn around and let me see your face
And now you're crying and you hold me and you whisper
In my ear

Whoa-e-oh-e-oh-oh
Oh-e-oh-e-oh-oh
Whoa-e-oh-e-oh-oh
I wish we were older

Whoa-e-oh-e-oh-oh
Oh-e-oh-e-oh-oh
Whoa-e-oh-e-oh-oh
I wish we were older

I wish we were older

Tonight we'll touch and they won't know
I know you're dying to take off your clothes
Just trust in me
I'll never run away
You kiss my lips
And you taste my pain
And while I'm pushing and I'm moving
Somehow you manage to say

Whoa-e-oh-e-oh-oh
Oh-e-oh-e-oh-oh
Whoa-e-oh-e-oh-oh
I wish we were older

Whoa-e-oh-e-oh-oh
Oh-e-oh-e-oh-oh
Whoa-e-oh-e-oh-oh
I wish we were older

Just take my hand I'll never let go
Just take my hand I'll never let go
Just take my hand I'll never let go
(But I love you and I hate you now we're dying and we're crying)
Just take my hand I'll never
(But I kiss you and I fucked you and you hold me close and scream at me and say)

Whoa-e-oh-e-oh-oh
Oh-e-oh-e-oh-oh
Whoa-e-oh-e-oh-oh

I wish we were older

Whoa-e-oh-e-oh-oh

Oh-e-oh-e-oh-oh

Whoa-e-oh-e-oh-oh

I wish we were older

But don't cry now

And don't cry now
