

## The Look

### Metronomy

You're up and you'll get down  
You never running from this town  
Kinda think you said  
You'll never get anything better than this  
Cause you're going round in circles  
And everyone knows you're trouble

Cause you read it in a big book  
And now you giving me the look, look  
But just remember how we shook, shook  
And all the things we took, took

This time's the oldest friend of mine

Get up and we get down  
We're always running round this town  
And to think they said  
We'd never make anything better than this  
Cause we're always in small circles  
And everyone thinks we're trouble

We didn't read it in the big book  
(We didn't read it in the big book, big book, big book)  
And now we're giving you the look look  
(Giving you the look, giving you the look aaah)  
Just remember how we shook shook  
(Shook shook, shook shook)  
And all the things we took took  
(Took took, took took)  
(This time's, this time's)  
This time's the oldest friend of mine

This time, This time
