Chinaberry Tree

In parallel sea, what would I be? My first love said to me Tears out for the world to see I would not be I did not see the chinaberry tree Tears out, it would feel so Heavenly, heavenly, heavenly Hard now to picture a me without a you

Don't interfere Part of her back was frozen For the remainder of the war Don't be concerned But I never learned how not to be As my first love said to me I don't care, I'm not there So that I could not sleep My whole being was falling apart So that I soon cried out "Dear friends, hold me!"
