

## Her Voice Is Beyond Her Years

**Mew**

Her voice is beyond her years  
She's trying to move you  
She did not know where to go  
And soon it was dark  
If I could look you in the eyes  
If I could look you in the eyes  
I couldn't let you go  
I couldn't let you go  
Her voice is beyond her years  
Please try not to move her  
At least it was her mistake  
Hers alone to make  
If I could look you in the eyes  
If I could look you in the eyes
