

## Her Voice Is Beyond Her Years

Mew

Her voice is beyond her years  
She's trying to move you  
She did not know where to go  
And soon it was dark  
If I could look you in the eyes  
If I could look you in the eyes  
I couldn't let you go  
I couldn't let you go  
Her voice is beyond her years  
Please try not to move her  
At least it was her mistake  
Hers alone to make  
If I could look you in the eyes  
If I could look you in the eyes
