

The Youth

MGMT

This is a call to arms to live and love and sleep together
We could flood the streets with love or light or heat whatever
Lock the parents out, cut a rug, twist and shout
Wave your hands
Make it rain
The stars will rise again

The youth are starting to change,
Are you starting to change?
Are you?
Together, Together, Together
Together, Together, Together
Together

The youth are starting to change,
Are you starting to change?
Are you?
Together, Together, Together
Together, Together, Together
Together

In a couple of years
Tides have turned from boos to cheers
And in spite of the weather
We can learn to make it together

The youth are starting to change,
Are you starting to change?
Are you?
Together, Together, Together
Together, Together, Together
Together

The youth are starting to change,
Are you starting to change?
Are you?
Together, Together, Together
Together, Together, Together
Together...

The youth are starting to change,
Are you starting to change?
Are you?
Together, Together, Together
Together, Together, Together
Together

The youth are starting to change,
Are you starting to change?
Are you?
Together, Together, Together
Together, Together, Together
Together...

The Youth,
The Youth,
The Youth,

The Youth.
