

# Danse

Mia Martina

Telling me your secret's my weakness  
I'm only here for the weekend  
And already got you thinking, thinking  
Like a wifey, husband  
She never will be  
Was me to trust me

I'll be the best thing you ever had  
You know I'm good but I like 'em bad  
You know I shouldn't but I know I can  
Under the moon, grab my hand, hand

And let's dance, put you in a trance  
Like you were my man, like we was in France  
Let's dance, put you in a trance  
Like you were my man, like we was in France

By the way I'm really  
Tranquila, vito  
Bonita, moves real slowly  
dance

You and me, we are together  
Forever as one, as one  
It's not over til it's over  
Move your body  
As one, as one

When the music starts to play  
We can dance the night away  
I won't let you get away tonight  
Once your body starts to move  
Won't let it let go of you  
There's just one thing left to do tonight

Je veux danser... Danser  
Je veux danser... Danser  
Je veux danser... Danse et on danse  
Danse et on danse  
Danse et on danse et on danse et on danse et on  
Danser danser danser danser  
Je veux danser avec toi  
Je veux danser avec toi

I know this love will last forever  
Us together  
As one, as one  
Lost here in the moment  
Til the morning  
As one, as one

When the music starts to play  
We can dance the night away  
I won't let you get away tonight  
Once your body starts to move  
Won't let it let go of you  
There's just one thing left to do tonight

Je veux danser... Danser  
Je veux danser... Danser  
Je veux danser... Danse et on danse  
Danse et on danse  
Danse et on danse et on danse et on danse et on  
Danser danser danser danser  
Chavez danse avec toi  
Chavez danse avec toi

Danse et on danse et on danse et on danse et on  
Danse danse danse danse

When the music starts to play  
We can dance the night away  
I won't let you get away tonight  
Once your body starts to move  
Won't let it let go of you  
There's just one thing left to do tonight

Je veux danse... Danse  
Je veux danser... Danser  
Je veux danser... Danser  
Je veux danser... Danse et on danse
