

Go Crazy

Mia Martina

Come on now, I feel you
It's in you
Don't worry, just show me
You want it
Now easy, just tease me
Go, go crazy, go crazy, go crazy
My baby
Don't worry, just show me
You want it
Now, go for it
I'm ready
Drive me crazy, so crazy, so crazy, so crazy

I've been waiting so long
I love you, I love you
I've been waiting so long

Come on now, I feel you
It's in you
Don't worry, just show me
You want it
Now easy, just tease me
Go, go crazy, go crazy, go crazy
My baby
Don't worry, just show me
You want it
Now, go for it
I'm ready
Drive me crazy, so crazy, so crazy, so crazy

I've been waiting so long
I love you, I love you

My baby
I love you, love you, waited so long
I love you, love you, waited so long

My baby
I love you, love you, waited so long
I love you, love you, waited so long

My baby
I love you, I love you
I've been waiting so long
My baby
