

Voulez-vous, voulez-vous
Voulez-vous
People everywhere,
Signs of expectation hanging in the air
Give another spark,
Across the room your eyes are glowing in the dark
And here we go again
We know the start, we know the end
Masters of the scene
We've done it all before and now we're back to get some more
You know what I mean

[x2]
Voulez-vous, aha, take it now or leave it
Now is all we get
Nothing promised no regrets
Voulez-vous, aha, ain't no big decision
You know what to do
I can still say voulez-vous

Voulez-vous
You know what to do, aha
You know what to do, aha
You know what to do

I know what you think,
The girl mean business so I'll offer her a drink
Looking mighty proud, see you leave your table
Pushing through the crowd
I'm really glad you came
You know the rules, you know the game
Masters of the scene
We've done it all before and now we're back to get some more
You know what I mean

Voulez-vous, aha, take it now or leave it
Now is all we get
Nothing promised no regrets
Voulez-vous, aha, ain't no big decision
You know what to do
