

## Don't Be On With Her

**Miami Horror**

There's no other way around it  
Can't take you by the hand  
You know it's wrong  
But that's the song  
So don't be on with her

Don't be on with her  
Don't be on with her  
Don't be on with her  
Don't be on with her
