

Mucho Money

Miami Sound Machine

Don't you bring me any flowers, flowers wither by the day
No more promise of tomorrows, no today's or yesterdays, just gi
ve me some cash
Mucho money, mucho money, mucho money, mucho money
Ain't no need for explanation of a hundred thrown away
I'll give you the satisfaction and you send some cash my way
(eh, no money, no money)
Mucho money, mucho money, mucho money, mucho money
(Do the cash back in your pocket, you're the king, you know whe
re it's at)
