

# Mucho Money

**Miami Sound Machine**

Don't you bring me any flowers, flowers wither by the day  
No more promise of tomorrows, no today's or yesterdays, just give me some cash

Mucho money, mucho money, mucho money, mucho money

Ain't no need for explanation of a hundred thrown away

I'll give you the satisfaction and you send some cash my way  
(eh, no money, no money)

Mucho money, mucho money, mucho money, mucho money

(Do the cash back in your pocket, you're the king, you know where it's at)
