

Close Your Eyes

Micah P. Hinson

Close your eyes
and don't you make a sound.
There's no worries now.
(x2)
There's no one else around,
to hear you cry.
You're so asleep.
Again, tonight.
Close your eyes
and don't you make a sound.
There's no worries now.
(x2)
There's no one else around,
to hear you cry.
You're so asleep.
Again, tonight.
