

Diggin' A Grave

Micah P. Hinson

I'm diggin' a grave in the moonlight.
I'm diggin' a grave where we laid.
Hopin' the sun will never come up
And there'll be no compromise again.

We're diggin' a grave in the moonlight.
We're diggin' a grave where we laid.
Hopin' the sun will never come up
And there'll be no compromise again.
