

# Crucified

Micah Stampley

Jesus, the crucified  
Took my place  
Now I can have eternal life, life

Light of the world  
Your name I praise  
Highly lifted up  
Redemption's song is what I sing

Crucified, Crucified for me  
Crucified so that I may live

Bruised, despised  
Alone and betrayed  
Christ the King of Kings  
What a precious gift my Savior gave

Bread of Life, Emmanuel  
Bright and morning star  
May the Son of God be forever praised  
Forever praised.

Because of God's love  
You hung on that cross  
Bled for my life  
I will never forget, what you've done  
Paying that price; the greatest sacrifice

You gave your love  
You shed your blood  
Laid down your life for me  
You sacrificed that I might live eternally with thee
