A Song For You

Michael Ball

(russell)

I've been so many places in my life and time I've sung a lot of songs, I've made some bad rhymes. I lighted up my life on stages With ten thousand people watching But we're alone now And I'm singing this song for you.

I know your image of me is what I hope to be I treated you unkindly But darling, can't you see No one's more important to me But darling, can't you please see through me 'cause we're alone now And I'm singing this song for you.

Chorus: You taught me precious secrets Of the truth witholding nothing You came out in front and I was hiding Now's I'm so much better And if my words don't come together Listen to the melody 'cause my love is in there hiding.

I love you in a place where there's no space or time I love you for in my life You're a friend of mine When my life is over We were alone And I was singing this song for you.

Chorus

I love you in a place where there's no space or time I love you -- in my life, you're a friend of mine When my life is over We were alone and I was singing this song for you

We were alone and I was singing this song for you.
