

# Last Night Of The World

Michael Ball

Alain boubil/claude michel schoenberg/richard maltby jr.)  
From the musical. Miss Saigon

In a place that won't let us feel  
In a life where nothing seems real  
I have found you  
I have found you  
In a world that's moving too fast  
In a world where nothing can last  
I will hold you  
I will hold you

Our lives will change when tomorrow comes  
Tonight our hearts drown the distant drums  
And we have music all right  
Tearing the night

A song  
Played on a solo saxophone  
A crazy sound, a lonely sound  
A cry that tells us love goes on and on  
Played on a solo saxophone  
It's telling me  
To hold you tight  
And dance like it's the last night of the world

On the other side of the earth  
There's a place where life still has worth  
I will take you  
I'll go with you  
You won't believe all the things you'll see  
I know 'cause you'll see them all with me

If we're together that's when  
We'll hear it again

A song  
Played on a solo saxophone  
A crazy sound, a lonely sound  
A cry that tells us love goes on and on  
Played on a solo saxophone  
It's telling me  
To hold you tight  
And dance like it's the last night of the world

Dreams  
They were all I ever knew  
Dreams  
You won't need when I'm through  
Anywhere  
We may be  
I will sing with you  
A song...

A song played on a solo saxophone  
So stay with me  
And hold me tight

And dance  
Like it's the last night of the world
