

## Show Me

Michael Ball

Don't talk of stars, burning above  
If you're in love, show me  
Tell me not dreams, filled with desire  
If you're on fire, show me

Never do I ever want to hear another word  
There isn't one, I haven't heard  
Here we are together in what ought to be a dream  
Say one more word and I'll scream

Sing me no song, read me no rhyme  
Don't waste my time, show me  
Please don't implore, beg on the seats  
Don't make all the speech, show me

Here we are together in the middle of the night  
Don't talk of spring, just hold me tight  
Anyone who's ever been in love'll tell you that  
This is no time for a chat

Haven't your arms, hungered for mine?  
Please don't explain, show me, show me  
And don't wait until wrinkles and lines  
Pop out all over my brow, show me now

Never do I ever want to hear another word  
There isn't one, I haven't heard  
Here we are together in what ought to be a dream  
Say one more word and I'll scream

Haven't your lips longed for my touch?  
Don't say how much, show me, show me  
Don't wait until wrinkles and lines  
Pop out all over my brow, show me now
