

# Something's Coming

Michael Ball

Could be, who knows  
There's something due any day  
I will know right away soon as it shows  
It may come cannonballing down though the sky  
Gleam in its eye bright as a rose  
Who knows?

It's only just out of reach, down the block, on a beach  
Under a tree  
I got a feeling there's a miracle due  
Gonna come true, coming to me

Could it be? Yes, it could  
Something's coming, something good, if I can wait  
Something's coming I don't know what it is  
But it is gonna be great

With a click, with a shock  
Phone will jingle, door will knock, open the latch  
Something's coming, don't know well  
But it's soon catch the moon, one handed catch

Around the corner or whistling down the river  
Come on, deliver to me  
Will it be? Yes, it will maybe just by holding still  
It'll be there

Come on, something, come on in, don't be shy  
Meet a guy, pull up a chair  
The air is humming  
And something great is coming

The air is humming  
And something great is coming  
Who knows? It's only just out of reach  
Down the block, on a beach, maybe tonight  
Maybe tonight, maybe tonight
