You Don't Have To Say You Love Me

When I said I needed you You said you would always stay It wasn't me who changed, but you And now you've gone away

Don't you know that now you''ve gone
And I'm left here on my own
Then I have to follow you
And beg you to come home

You don't have to say you love me
Just be close at hand
You don't have to stay forever
I will understand
Believe me, believe me
I can't help but love you
But believe me, I'll never tie you down

Left alone with just a memory Life seems dead and so unreal All that's left is loneliness There's nothing left to feel

You don't have to say you love me Just be close at hand You don't have to stay forever I will understand Believe me, believe me!

You don't have to say you love me Just be close at hand
You don't have to stay forever
I will understand
Believe me, oh..believe me
Believe me!
