

A Dream Is A Wish Your Heart Makes

Michael Bolton

A dream is a wish your heart makes
When you're fast asleep

In dreams you will lose your heartaches
Whatever you wish for you keep

Have faith in your dreams and some day
Your rainbow will come shinin' through

No matter how your heart is grievin'
If you keep on believin'
The dream that you wish will come true

Have faith in your dreams and someday
Your rainbow will come smilin' through

No matter how your heart is grievin'
If you keep on believin'
The dream that you wish will come true
