A Love So Beautiful

Michael Bolton

The summer sun went down on our love long ago But in my heart I feel the same old afterglow A love so beautiful in every way A love so beautiful we let it slip away

We were all too young to understand to ever know That lovers drift apart and that's the way love goes A love so beautiful, a love so free A love so beautiful, a love for you and me

And when I think of you I fall in love again A love so beautiful in every way A love so beautiful we let it slip away

And when I think of you I fall in love again A love so beautiful we let it slip away A love so beautiful in every way A love so beautiful we let it slip away
