

All The Way

Michael Bolton

When somebody loves you
It's no good unless they love you all the way
Happy to be near you
When you need someone to cheer you all the way

Taller than the tallest tree is
That's how it's got to feel
Deeper than the deep blue sea is
That's how deep it goes if it's real

When somebody needs you
It's no good unless they need you all the way
Through the good or lean years
And for all the in-between years, come what may

Who knows where the road will lead us?
Only a fool would see
But if you'll let me love you
For sure I'm gonna love you all the way, all the way

When somebody loves you
It's no good unless they love you all the way
Happy to be near you
When you need someone to cheer you, come what may

Who knows where the road will lead us?
Only a fool would see
If you'll let me love you
For sure I'm gonna love you all the way
All the way
