

# Back in My Arms Again

Michael Bolton

All day long I hear the telephone ring  
Friends callin', givin' their advice  
From the one I love, I should break away  
Those heartaches you'll bring me one day, oh

I listened to my friends' advice  
But it's not gonna happen twice  
All advice ever brought my way  
Were many long and sleepless nights

Got you back in my arms again  
Right by my side  
I got you back in my arms again  
So satisfied

So easy for the others to say  
That I should let you go  
They don't know how strong my love is  
Without you I can't go on

It's time I live my life for me  
Being happier than who I'd been  
And each time we make romance  
I been thankful for a second chance

I got you back in my arms again  
Right by my side, yeah  
Got you back in my arms again  
So satisfied, oh

All day long I hear the telephone ring  
Friends callin', givin' their advice  
From the one I love, I should break away  
Those heartaches you'll bring me one day

I listened to my friends' advice  
But it's not gonna happen twice  
All advice ever brought my way  
Were many long and sleepless nights

Got you back in my arms again  
Right by my side, oh  
I got you back in my arms again  
So satisfied

Satisfied  
I got you right here by my side  
I got you back, yeah  
Back in my arms  
Right here by my side
